

## LESSON XVII – Athens the Beautiful

---

Let's practice with new material! You now know all the forms of the subjunctive mood for regular verbs! Are the following verbs FP-I (Future Perfect Indicative), P-S (Perfect Subjunctive), or both?

- \_\_\_\_\_ 1. coēgerō
- \_\_\_\_\_ 2. cōsēnserīs
- \_\_\_\_\_ 3. cōservāverint
- \_\_\_\_\_ 4. commīserimus
- \_\_\_\_\_ 5. contenderītis

Now change the following indicative forms to the subjunctive.

6. cognīta es \_\_\_\_\_
7. cōfirmātus eram \_\_\_\_\_
8. cōfecta sunt \_\_\_\_\_
9. convocātī eratis \_\_\_\_\_
10. cōstitūtum est \_\_\_\_\_

Finally, change the following subjunctive forms to the passive voice if they are active and to the active voice if they are passive. Stay in the subjunctive mood.

11. commōtī sīmus \_\_\_\_\_
12. contempserim \_\_\_\_\_
13. contentus esset \_\_\_\_\_
14. cōnsuluissēmus \_\_\_\_\_
15. collēcta sint \_\_\_\_\_

Let's practice some more! Cross out the tenses that do not belong in each box.

	Primary Tenses		Secondary Tenses	
INDICATIVE	Present	Perfect	Present	Perfect
	Imperfect	Pluperfect	Imperfect	Pluperfect
SUBJUNCTIVE	Future	Future Perfect	Future	Future Perfect
	Present	Perfect	Present	Perfect
	Imperfect	Pluperfect	Imperfect	Pluperfect

Now circle the verb forms that correctly complete the following sentences. Then translate each sentence in its entirety.

1. Expediam quam prīmum ut . . .  
antecēdam antecessisem
- 

2. Mēcum excēdere dēbēs ut ante aliōs . . .  
perveniāmus pervenīrēmus
- 

3. Ita falsī sumus ut nōn iniūriam . . .  
cernerēmus crēverīmus
- 

4. Tot illī crēdiderant ut nōbīs vir integer . . .  
viderētur vīsus sit
- 

5. Novem diēs ego togam pullam\* gessī ut omnēs mē dolēre . . .  
sciant scīrent
- 
- 

6. Tam miser sum ut per noctēs et diēs . . .  
dolērem doluerim
- 

7. Curre nē tardus . . .  
sīs essēs
- 

\*The *toga pulla* (often a dark-colored garment) was a visible sign of bereavement or severe personal setback.

Notice in the vocabulary list for this lesson a new term to express distance. Use it to translate the following (Latin to English, English to Latin).

1. duo mīlia passuum \_\_\_\_\_
  2. mīlle mīlia passuum \_\_\_\_\_
  3. octō mīlibus passuum longior \_\_\_\_\_
  4. another mile \_\_\_\_\_
  5. many miles \_\_\_\_\_
